Disclosures

The Japanese Society of Gout and Uric & Nucleic Acids requires disclosure of any financial or other interest that could be construed as resulting in an actual, potential, or apparent conflict.

The society requires that you disclose any relevant financial relationships you or your spouse/partner have had within the past 12 months. For this purpose, "relevant financial relationships" are those from which you have received or may receive financial benefit.

Employment/Leadership position/Advisory role (\geq the equivalent of ¥1,000,000 from each company)	
Stock ownership (\geq the equivalent of ¥1,000,000 from each company)	
Patent royalties/licensing fees (\geq the equivalent of ¥1,000,000 from each company)	
Lecture fees (\geq the equivalent of ¥500,000 from each company)	
Manuscript fee (\geq the equivalent of ¥1,000,000 from each company)	
Research funding (\geq the equivalent of ¥2,000,000 from each company)	
Scholarship donation (\geq the equivalent of ¥2,000,000 from each company)	
Donated Fund Laboratory	
Others (e.g. trips, travel or gifts, which are not related to research) (\geq the equivalent of ¥50,000 from each company)
